## CERTIFICATE

### TO WHOM IT MAY CONCERN

This is to certify that the company **Kavin Technologies**, 204, Fatehsagar Office Complex, Fatehganj, Vadodara – 390002, India, is a regular supplier to our Sugar Factory since many years.

Kavin Technologies has supplied to us equipment, mill rollers, mill spares, filter spares, air heater, pumps and other items. The supply includes spares for our Sugar Refinery.

Kavin Technologies has recently supplied and erected 4 nos. Inter Rake carriers for our mills, and also a specially designed cane chopper. All the items worked well during the last crushing season.

We are happy and satisfied with the timely supply, very competitive rates, quality, workmanship and performance of Kavin Technologies items.

The technical personnel of Kavin Technologies are capable and highly experienced. Their after sales services are excellent and remained available at short notice whenever required.

Mr.S.K.Kirane, Technical Adviser of Kavin Technologies visits our Sugar Factory regularly to provide consultancy and advise and also for trouble shooting as and when required.

We wish Kavin Technologies the best of luck for their future endeavours
